

REMARKS/ARGUMENTS

This case has been carefully reviewed and analyzed in view of the Official Action dated 23 August 2005. Responsive to the objections made in the Official Action, Claim 1 has been amended to clarify the language thereof.

In the Official Action, the Examiner objected to Claims 1 – 7 for a misspelling error. Specifically, the Examiner stated in Claim 1, “composting” appears as “compositing.” In response to this objection, the misspelling error has been corrected.

The references cited by the Examiner but not used in the rejection have been reviewed and are believed to be further remote from the subject inventive concept as defined by now amended claims than that used by the Examiner in his rejection.

It is now believed that the subject Patent Application has been placed in condition for allowance, and such action is respectfully requested.

Respectfully submitted,
FOR ROSENBERG, KLEIN & LEE
